

La Crapuleuse 2017

Designation:

IGP St-Guilhem le Désert «city of Aniane»

Grape variety: Syrah, Merlot, Carignan, Mourvedre

Soil: Yellow marls typical of Aniane, sedimentary deposit (Miocene) marine, clay-limestone with variable stoniness.

Age of vines: 30 years on average

Planting density: 5500 vines/ha

Production: 35 hl/ha

Harvest: Manual

Aging: 12 months in oak barrels for the Syrah

Oenologist: Natolie Laboratory, Stéphanie Prabonaud

Tasting comments: Very expressive nose, on black fruits (blackcurrant, blackberry), mocha and pepper. Beautiful substance in the mouth, sweetness and flesh.
